State Road (S.R.) A1A (Atlantic Avenue) from Milsap Road to S.R. 40 (Granada Boulevard)
Volusia County
Financial Project Identification (FPID) No.: 443512-1

The Florida Department of Transportation (FDOT) will conduct a public hearing regarding S.R. A1A Safety Improvements from Milsap Road to S.R. 40 (Granada Boulevard) in Volusia County. This VPH will be held **Thursday, December 3, 2020, at 6:00 p.m.**

The purpose of this project is to improve safety by constructing raised medians with designated left turn lanes and provide pedestrian mid-block crossings within the project limits. The public hearing is being held to present information and obtain public input.

The Department is offering multiple ways for the community to participate in the hearing. All participants,

regardless of which platform they choose, will participate in the same live hearing.

Interested persons may join the Virtual Public Hearing (VPH) from a computer, tablet or mobile device. A VPH is a free live presentation or webinar over the internet. If you wish to participate in the VPH online from computer, tablet or mobile device, advance registration is required by visiting <https://attendee.gotowebinar.com/register/6612125789951617803>. Once registered, participants will receive a confirmation email containing information about joining the hearing online. At this time, Internet Explorer is not supported by GoToWebinar, and the link for the hearing will not work on this platform. Please use an alternate web browser to register and attend the hearing.

Participants may also join the hearing in listen-only mode by dialing 1-877-309-2071 and entering the passcode 791-322-777 when prompted. Please note, while the call-in number is listen-only, callers may submit comments directly to the project manager by using the contact information listed below.

Interested persons may participate in person by going to the Ormond Beach Performing Arts Center at 399 N. U.S. 1, Ormond Beach, Florida 32174. For those who choose to participate in person, the

Department requests advance registration to ensure all attendees are accommodated safely and according to social distancing guidelines. Attendees will be asked to follow all safety and sanitation guidelines as well as adhere to any local ordinances. Attendees who are not feeling well should not attend the in-person hearing. To register for the in-person option, please contact FDOT Project Manager Gene Varano by phone at 386-943-5145 or via email at gene.varano@dot.state.fl.us

The VPH and in-person hearing location open at 6:00 p.m. A formal narrated PowerPoint presentation will begin promptly at 6:00 p.m., followed by a formal public comment period. If joining online, please provide adequate log-in time to view the presentation in its entirety.

All hearing materials, including the presentation, will be available on the project website at www.cflroads.com/44352-1 by December 5, 2020.

FDOT is sending notices to all property owners, business owners, interested persons and organizations to provide the opportunity to give comments to FDOT regarding the S.R. A1A Safety Improvements. The hearing gives everyone an opportunity to express their views about the proposed modifications. While comments about the project are accepted at any time, please send your comments by December 14, 2020 to be included in the records for this public hearing.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator at Jennifer.Smith2@dot.state.fl.us.

Persons with disabilities who require accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Gene Varano at 386-943-5145 or gene.varano@dot.state.fl.us at least seven (7) days prior to the VPH.

We encourage you to participate in the S.R. A1A Safety Improvements public hearing. If you have any questions or comments about the project, please contact: Gene Varano at 386-943-5145 or gene.varano@dot.state.fl.us.
