

Repaving and Pedestrian Improvements

U.S. 17-92

from east of Ham Brown Road to south of Portage Street

Osceola County

Financial Project Identification (FPID) No.: 445210-1

Project Description

This project will resurface U.S. 17-92 (S. Orange Blossom Trail/John Young Parkway) from east of Ham Road to south of Portage Street to extend the life of the existing roadway.

The project will improve safety for pedestrians by:

- Constructing concrete islands to facilitate new pedestrian crosswalks;
- Adding sidewalks; and
- Reconstructing sidewalk curb ramps to meet Americans with Disabilities Act (ADA) standards.

Bicycle through lanes will also be added next to some right turn lanes. Other improvements include drainage modifications, shoulder widening, and traffic signal upgrades.

Project Status and Estimated Costs*

Design:	Ongoing: completion late 2021	\$	850,000
Right of Way:	Within Existing		—
Construction:	Funded: summer 2022	\$	7.8 Million

* subject to change
