The Florida Department of Transportation (FDOT) is holding a public meeting regarding improvements to State Road (S.R.) 435 (Kirkman Road). The purpose of this meeting is to introduce the project and present the preliminary design concepts to the public. The meeting is an open house beginning at 5:30 p.m. Staff members will be available to discuss the project and answer questions. A brief looping presentation and other project information will be available throughout the evening. The meeting ends at 7:30 p.m.

PROJECT FACTS

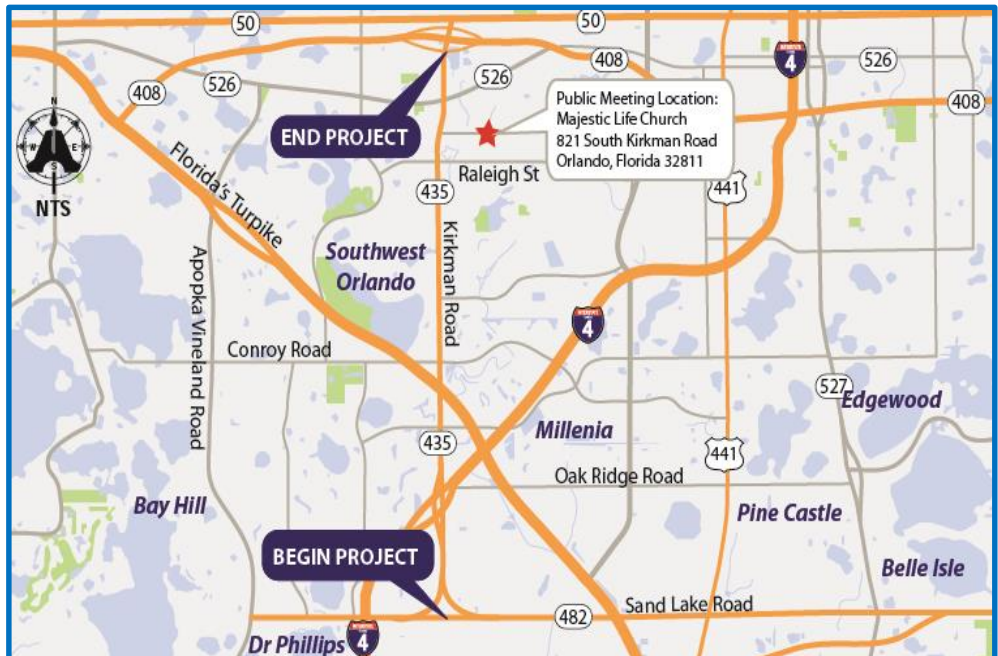

This project is to mill and resurface the roadway.

Americans with Disability Act (ADA) upgrades will be provided at the 13 signalized intersections: lighting, cross walks, improvements at bus bays and handrail upgrades.

Bike lane keyholes will be provided at locations that currently do not have them.

Restriping and pavement widening in some locations and minor drainage improvements.

A shared use path will also be included along a portion of the project corridor.

No additional right of way will be needed. This project is funded for construction in 2019.
