**Subject: Virtual Public Meeting (VPM)
John Young Parkway (C.R. 423) at Westbound I-4 Off Ramp
Orange County
Financial Project Identification (FPID) No. 444175-1**

Dear Property Owner/Stakeholder:

The Florida Department of Transportation (FDOT) will conduct a Virtual Public Meeting (VPM) on Thursday, October 8, 2020, regarding the design of safety improvements along John Young Parkway (County Road (C.R.) 423) at the westbound Interstate 4 (I-4) off ramp. The project proposes to modify the westbound I-4 exit ramp to John Young Parkway by physically separating traffic turning west onto LB McLeod Road from traffic on John Young Parkway with a raised concrete barrier.

The meeting is being conducted as a VPM, which is a free live presentation or webinar over the internet. If you wish to participate in the VPM online, registration is needed in advance by going to: <https://attendee.gotowebinar.com/register/4446557373021248270>. Those without internet access may also call in and listen to the meeting by dialing 1-877-309-2074 and entering 946-496-655.

Once registered, participants will receive a confirmation email containing information about joining the VPM online from a computer, tablet or cell phone. **Meeting materials, including the presentation, will be available on the project website by October 10 at www.cflroads.com/project/444175-1.**

The VPM opens at 5:30 p.m. on October 8, 2020. A formal presentation will begin at 5:40 p.m., followed by a question-and-answer period. Please provide adequate log-in time to view or listen to the presentation in its entirety.

FDOT is sending notices to all property owners, business owners, interested persons and organizations to provide the opportunity to give comments to FDOT regarding the proposed improvements on John Young Parkway and the I-4 off ramp. The meeting gives everyone an opportunity to learn about the project and express their views about the design.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator at Jennifer.Smith2@dot.state.fl.us.

Persons who require accommodations under the Americans with Disabilities Act (ADA) or persons who require translation services (free of charge) should contact FDOT Project Manager Marcus Lisicki, P.E., at 386-943-5542 or Marcus.Lisicki@dot.state.fl.us at least seven (7) days prior to the VPM.

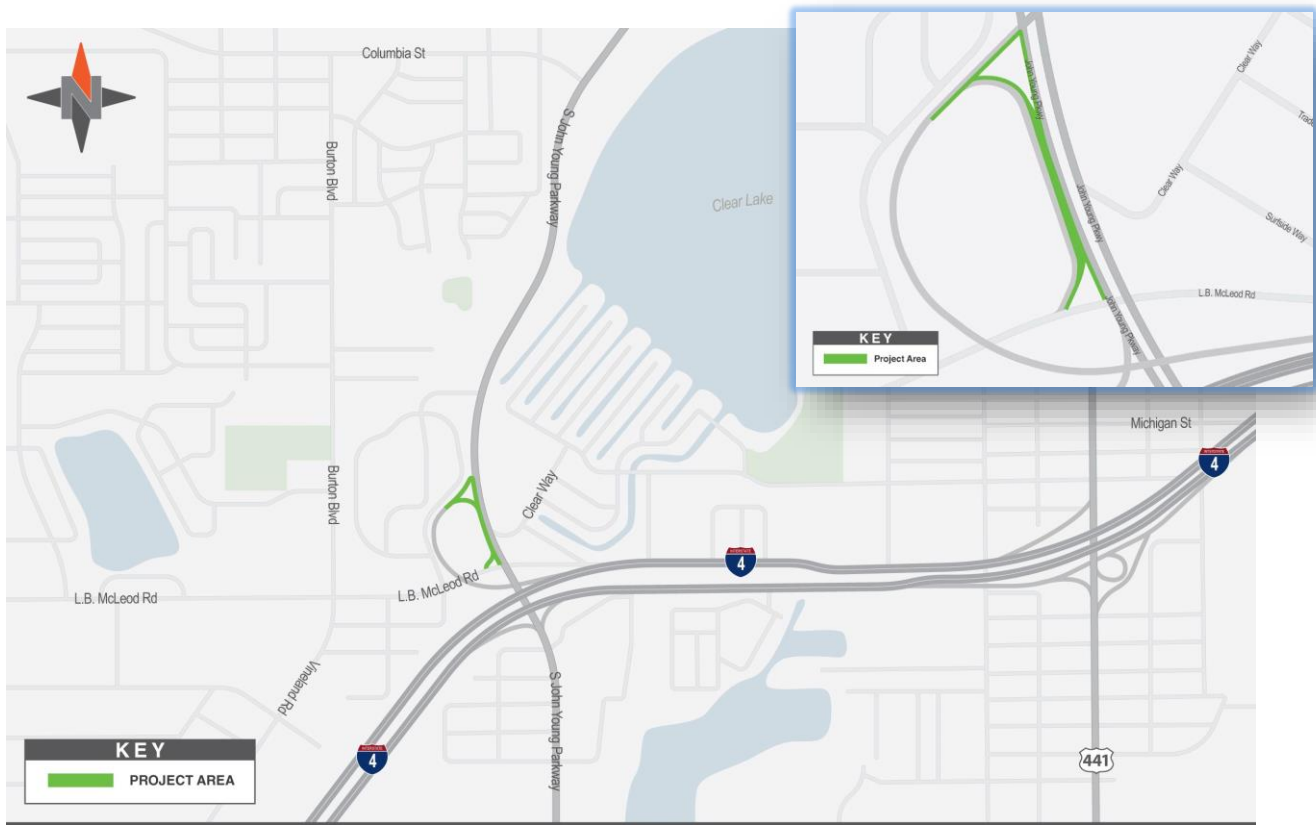

We encourage you to participate in the virtual public meeting. If you have any questions or comments about the project, please contact me at 386-943-5542 or Marcus.Lisicki@dot.state.fl.us.

Sincerely,

Marcus Lisicki, P.E.
FDOT Project Manager
