Road Closure and Detour at Old Canoe Creek Road

Motorists are advised that Old Canoe Creek Road will be closed on the south side of the intersection with U.S. 192 beginning at 5 a.m. Monday, March 20. The closure is expected to last about four weeks and is necessary to allow crews to make drainage improvements.

During the closure, traffic will be directed around the work using Neptune Road and Commerce Center Drive. Electronic message boards and signage will be used to direct traffic around the closure. Please see the map below for more information.

The work is part of a Florida Department of Transportation (FDOT) project to widen U.S. 192 from four to six lanes between Aeronautical Drive and Budinger Avenue in Osceola County. Please note construction schedules may change due to weather or other unforeseen circumstances.
