I-75 IMPROVEMENTS IN SUMTER COUNTY

From North of Hernando County Line to South of CR 470

Project Financial ID: 242626-2-52-01

About this Project

- | | |
|-------------------------------------|--------------------------------------|
| ◇ Contractor: Middlesex Corporation | ◇ Project Distance: 13.08 miles |
| ◇ Design Firm: Wantman Group Inc. | ◇ Project Start: Fall 2014 |
| ◇ Project Cost: \$76.9 million | ◇ Project End: Estimated Winter 2016 |

Project Description

This Design-Build roadway project consists of the following:

- ◇ Widening I-75 from four (4) lanes to six (6) lanes
- ◇ Complete interchange reconstruction at State Road 48 (exit 314)
- ◇ New ramps at the CR 476B/CR 673 (exit 309) interchange
- ◇ Intelligent Transportation Systems (ITS) improvements
- ◇ Drainage, guardrail, signing and pavement markings, signalization, milling and resurfacing, and miscellaneous structures

Notice to Property Owners

Regarding right of way amenities, please relocate any fencing, irrigation lines, landscaping, signs, lighting, or other equipment/fixtures from the FDOT right of way to avoid breakage. Neither the State nor the contractor is responsible for damage to any items in the right of way.

Access to businesses will be maintained at all times. Should it be necessary to close a driveway to perform project-related work, construction personnel will coordinate with the property owner in advance.

Public Involvement

For questions, issues or concerns, please contact Irina Lallemand, Public Involvement Coordinator at 352-427-4054 or via email at irina.lallemand@dot.state.fl.us.

Web Site

www.cflroads.com

Our FDOT Central Florida Roads web site, cflroads.com, provides the public with useful information about current and future projects, anticipated lane closures, and links to other information sources.

Safety Considerations

FDOT strives to minimize construction-related impacts; you may however, experience one or more of the following while traveling through the project area:

- ◆ Lane Closures
- ◆ Reduced speed limits
- ◆ Heavy equipment and personnel moving in and around work zones
- ◆ Detours and/or changes to traffic patterns

TIPS TO REMEMBER

- ◇ Give yourself a little extra time to reach your destination
- ◇ Obey all signs posted within the construction zone
- ◇ Watch for variable electronic message signs that provide information about detours and lane closures
