DeLand, Florida 32720-6834

MIKE DEW
SECRETARY

February 28, 2018

Subject: Interstate 95 (I-95) Widening and Systems Interchange
From north of State Road (S.R.) 44 to U.S. 92 (International Speedway Blvd.)
Temporary Traffic Switch and I-95 Northbound Detour
Financial Project ID Number: 242715-2-52-01

Dear Stakeholder,

I-95 northbound traffic will be temporarily switched to a new I-95 bridge at the U.S. 92 interchange. This temporary switch will allow the contractor to safely construct the additional I-95 northbound bridges.

The traffic switch will require a detour for I-95 northbound traffic between the I-4 and U.S. 92 interchanges. This detour will occur on the night of **Sunday, March 4 from 10 p.m. to 6 a.m.** A back up date has been scheduled for Monday, March 5.

Detours will be well marked. Travelers are advised to slow down and follow the detour signs through the construction zones. Posted detours are as follows:

I-95 Northbound Detour:

- I-95 northbound will be detoured at Exit 260A toward S.R. 400/Beville Road east, then to Williamson Boulevard north to LPGA Boulevard, where I-95 northbound will be open.
 - The I-4 eastbound to I-95 northbound ramp will be closed. Follow the same detour listed above.
 - The S.R. 400/Beville Road to I-95 northbound ramp will be closed. Follow the same detour listed above.
- The I-95 northbound ramp to I-4 westbound (Exit 260B) will be closed. Motorists wanting to access I-4 will be detoured to Exit 260A toward S.R. 400/Beville Road east. Motorists can make a U-turn at Williamson Boulevard to access I-4 westbound.
- The U.S. 92 eastbound and westbound ramps to I-95 northbound will be closed. Motorists will be detoured to Williamson Boulevard north to LPGA Boulevard, where I-95 northbound will be open.

I-4 eastbound to Beville Rd. (S.R. 400) and I-4 eastbound to I-95 south, will not be affected.

If you have any questions please contact Chris Briggs, FDOT project manager, by email at Christopher.Briggs@dot.state.fl.us or Katie Widdison, public involvement coordinator at 386-212-0449 or by email at Katie.Widdison@dot.state.fl.us.
