

# Project Fact Sheet

From Portage Street to Vine Street  
Osceola County

## STATE ROAD 600 JOHN YOUNG PARKWAY

ROADWAY DESIGN PROJECT  
Financial Project ID No. 418403-2-52-01

### Project Description

The Florida Department of Transportation (FDOT) is currently in the process of designing recommended improvements to State Road 600 John Young Parkway. The project will involve the widening of SR 600 John Young Parkway from a 4-lane divided roadway to a 6-lane divided roadway from Portage Street to Vine Street, a distance of 1.37 miles. The purpose behind the project is to improve the traffic capacity and enhance highway safety and mobility.

This project is currently partially funded for right-of-way in Fiscal Year 2011 of FDOT's Work Program; however, construction is currently not funded.

#### PUBLIC INFORMATION MEETING

THURSDAY, May 26, 2011

Kissimmee Civic Center  
201 East Dakin Avenue  
Kissimmee, Florida

Open House:

5:00 PM to 7:00 PM

Brief Presentation:

6:00 PM

### Project Design

# Project Updates

Proposed pipe installation for FDOT Pond 2 drainage outfall system along **Mabbette Street** from SR 600 (John Young Parkway) to the West City Canal.

Redesigned **FDOT Pond 2** in order to have FDOT Pond 2 separate from City's Pond (MLK Pond).

Proposed pipe installation for Pond 1 along **Hughey Street** from SR 600 (John Young Parkway) to Pond 1.

## Updates:

1. Mabbette Street
2. Pond 2 Redesign
3. Hughey Street
