

Florida East Central Regional Rail Trail Update for Mims Elementary School

Financial Project Number: 424040-4-52-01

PLEASE STAY OFF THE TRAIL DURING CONSTRUCTION!

This is for your safety. During construction there are hazards such as construction equipment and uneven terrain. FDOT will notify school officials when construction is finished and the trail is open for use.

An Important Safety Message as You Head Back to School

The 12.8-mile Florida East Central Regional Rail Trail currently under construction from Kingman Road/ Smokey Lane to the Volusia County line runs near Mims Elementary School. The paved, multi-use trail will bring new pedestrian and bicycle options.

Please remember these safety tips:

- Look for new crosswalk locations
- Pay attention to signage and pavement markings
- Always cross at the crosswalk
- Walk your bicycle across the crosswalk
- Wear a helmet when riding your bicycle
- Be careful around construction and stay clear of work areas
- Always stop, look and listen for cars when crossing any roadway

In partnership with: Brevard County, City of Titusville, Florida Department of Environmental Protection, and Space Coast Transportation Planning Organization
