Subject: Interstate 95 (I-95) Interchange at Ellis Road
Financial Project ID Number: 426905-3
Continuous Closure of John Rodes Boulevard at Ellis Road in Melbourne

Dear Stakeholder,

Upcoming construction activities will require a **continuous closure** of South John Rodes Boulevard at Ellis Road.

When: Sunday, August 4 at 9 p.m., through late fall.

What: Closure of South John Rodes Boulevard at Ellis Road, only local traffic will be allowed access between Sheridan Road and Sarno Road.

Detour: Traffic will be detoured around the intersection using Sheridan Road, South Wickham Road, West Eau Gallie Boulevard (State Road 518), and Sarno Road (see attached map for more information).

Access to all residences and businesses will be maintained. Electronic message boards and other signage will be used to direct motorists.

Please note work schedules can change due to weather or unexpected conditions. Project updates will be posted to the project website, www.cflroads.com.

If you have any questions please contact Melanie Hand, community outreach coordinator at 321-634-6111 or by email at Melanie.Hand@dot.state.fl.us, or FDOT project manager, Esther Montoya by email at Esther.Montoya@dot.state.fl.us.

Sincerely,

Esther Montoya, P.E.
