

Resurfacing State Road A1A from US 192/Fifth Avenue to State Road 404 (Pineda Causeway)

Project Financial No: 428753-1-52-01

Project Overview

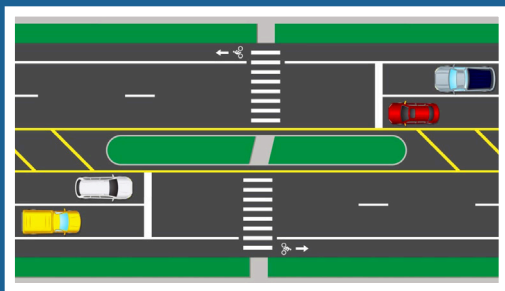

The Florida Department of Transportation and contractor Masci General Contractors, Inc. will begin a resurfacing project on State Road (SR) A1A from just north of US 192/Fifth Avenue in Indianalantic to just north of State Road (SR) 404 (Pineda Causeway).

The improvements for this project include milling and resurfacing of the travel lanes, updating pedestrian signals and installing curb ramps to comply with the American Disabilities Act (ADA). Minor roadside drainage will be addressed throughout the project with pipe installations and drainage structure upgrades. Bus access pads will improve transit access at 43 locations.

New mid-block crossings will be constructed near the following intersections:

- Volunteer Way
- Royal Palm Boulevard
- Sunrise Avenue
- Ellwood Avenue
- Magellan Avenue
- Grant Avenue

Example of Mid-Block Crossing

Expect daytime and nighttime lane closures. If located near construction, an alternative route is recommended. Access to businesses will be maintained during business hours.

FAST FACTS

Total Cost: **\$10,372,491**

Start Date: **August 2016**

Estimated Completion: **Summer 2018**
