INFORMATION HANDOUT Public Meeting on September 1, 2015

State Road 5/US 1 (S. Ridgewood Avenue) Resurfacing Design Project from South Street to Magnolia Avenue/Shangri-la Circle

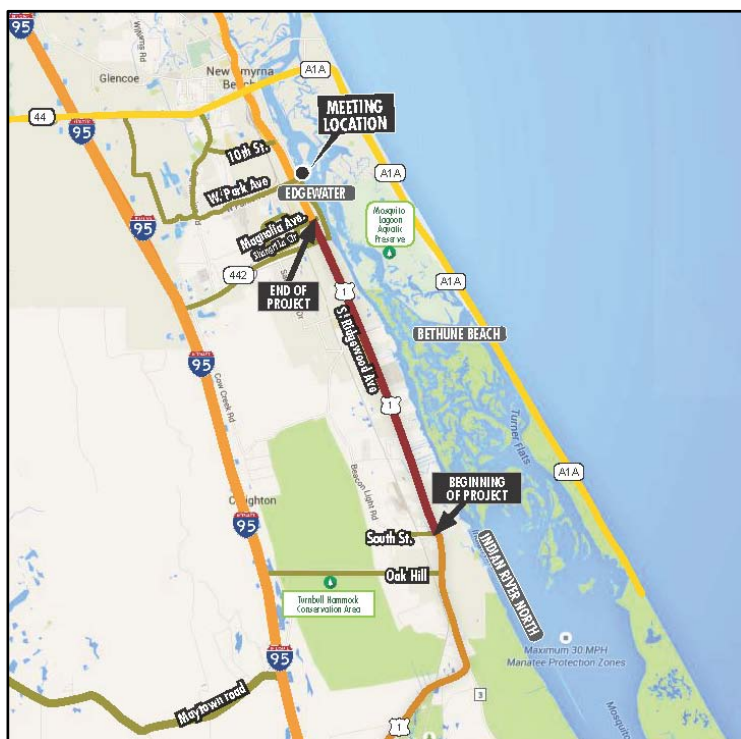

Welcome to the Public Meeting

The Florida Department of Transportation (FDOT) is holding a public meeting to present information about the resurfacing design project for State Road (SR) 5/US 1 (S. Ridgewood Avenue). The project is approximately 8.1 miles in length, from South Street (in Oak Hill) to Magnolia Avenue/Shangri-La Circle (in Edgewater). The meeting is being held on **Tuesday, September 1, 2015 at Edgewater City Hall – City Council Chambers, 104 N. Riverside Drive, Edgewater.**

The purpose of this meeting is to present information and to receive public input regarding the proposed improvements. The meeting will be an open house format **from 5:30 p.m. to 7:30 p.m.** Project information will be available for review along with a project presentation that will be running on a continuous loop. Throughout the meeting, FDOT representatives will be available to discuss the project, answer questions, and receive comments. Written comments may be submitted at this meeting or to Heather Johnstone, P.E., FDOT Project Manager by email, mail, or telephone (see the box below for contact details).

All written comments emailed or postmarked by September 1, 2015 will become a part of the public meeting summary. You may contact Ms. Johnstone if you have questions or would like more information about this project. Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator, by phone at 386-943-5367 or by email at jennifer.smith2@dot.state.fl.us.

State Road 5/US 1 Resurfacing Design Project from South Street to Magnolia Avenue/Shangri-La Circle

Project Overview

This project is located in Volusia County, Florida. The project limits are along State Road (SR) 5/US 1 (S. Ridgewood Avenue), from South Street (in Oak Hill) to Magnolia Avenue/Shangri-La Circle (in Edgewater). The project is approximately 8.1 miles in length. The existing roadway is a four-lane, rural section with a grass median. VOTRAN provides bus service in this area, with a number of bus stops along this segment of US 1. Also, US 1 is a hurricane evacuation route.

The design phase for this project is anticipated to be completed by spring 2016. The improvements for this section of US 1 include: milling and resurfacing, ADA upgrades, addition of sidewalks to fill in gaps on both sides of US 1, and minor work for drainage and signalization. These improvements will take place within existing right-of-way so no additional right-of-way is needed. Construction for this project is funded in Fiscal Year 2016.
