Project information will be  
on display, and there will be  
a presentation on a  
continuous loop running  
throughout the meeting.  
Project representatives will  
be available to answer  
questions.

The Florida Department of Transportation will conduct a Public Information Meeting for the safety and operational improvement project at the intersection of State Road (S.R.) 5/U.S. 1 and Suntree Boulevard and along Suntree Boulevard from the FEC Railway to S.R. 5/U.S.1, in Brevard County. As the result of a safety study conducted in 2014, FDOT proposes to alleviate crash issues in this area by constructing a second northbound left turn lane from U.S. 1 onto Suntree Boulevard and a corresponding second westbound receiving lane on Suntree Boulevard. An additional eastbound right turn lane from Suntree Boulevard onto U.S. 1, and drainage improvements are also proposed as part of this project.

Persons with disabilities who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Kelly Hiden, Public Involvement Coordinator by phone at 407-508-0839, or via email at [kelly@valerin-group.com](mailto:kelly@valerin-group.com) at least seven (7) days prior to the meeting. If you are hearing or speech impaired, please contact us by using the Florida Relay Service, 1-800-955-8771 (TDD) or 1-800-955-8770 (Voice).

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons wishing to express their concerns relative to FDOT compliance with Title VI may do so by contacting Jennifer Smith, FDOT District Five Title VI Coordinator by phone at 386-943-5367, or via email at [Jennifer.Smith2@dot.state.fl.us](mailto:Jennifer.Smith2@dot.state.fl.us)

For more information about the project, please contact Sameer Ambare, P.E., FDOT Project Manager at 386-943-5232, or email [sameer.ambare@dot.state.fl.us](mailto:sameer.ambare@dot.state.fl.us).
