

# ROADWAY IMPROVEMENTS

**Financial Project  
Identification No.:**  
439777-1

East Merritt Island Causeway (S.R. 520)

**Brevard County**

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is improving safety along East Merritt Island Causeway by upgrading sidewalks and bus stop pads to comply with the Americans with Disabilities Act. In addition, raised concrete medians will be installed throughout the project limits from west of Newfound Harbor Drive to east of Milford Point Drive/South Banana River Drive.

Other improvements include resurfacing the roadway, adding concrete curbs and gutter systems, and installing new directional signs, pavement markings and additional lighting at the intersections.

## WHAT TO EXPECT

Motorists can expect daytime and nighttime single lane closures on East Merritt Island Causeway. Electronic message boards, barrels and cones will be used to help direct traffic.

Please note the construction schedule may change due to weather or other unexpected conditions. Current project details and lane closure information can be found on the FDOT Central Florida website [CFLroads.com](http://CFLroads.com).

Please slow down and use caution when driving through a work zone.
