

# SIDEWALK IMPROVEMENTS

S.R. 40 from NW 27th Avenue to SW 7th Avenue

**Marion County**

**Financial Project Identification  
(FPID) No.: 437596-2**

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is widening the sidewalk on State Road (S.R.) 40 from NW 27th Avenue to SW 7th Avenue. Work will consist of removing the existing asphalt path on the north side of the roadway and replace it with an 8-foot concrete sidewalk. Additional improvements include curb and gutter modifications. The new sidewalk will meet FDOT and Americans with Disabilities Act (ADA) requirements.

## WHAT TO EXPECT

During construction, motorists should expect lane closures and detours on weekdays and weekends. There will also be temporary pedestrian crossings, portable traffic signals and other incidental construction occurring within the project limits.

Electronic message boards and other signage will be used to direct traffic through the work zone. Motorists are asked to exercise caution and reduce their speed while driving through the area. The construction schedule may change due to weather or other unexpected conditions.

For the most current project details and lane closure information, make sure to visit FDOT's Central Florida Roads website, [www.cflroads.com](http://www.cflroads.com).

### CONTRACTOR

Meija International Group Corporation

### PROJECT COST

\$780,120

### PROJECT START

February 2023

### ESTIMATED COMPLETION

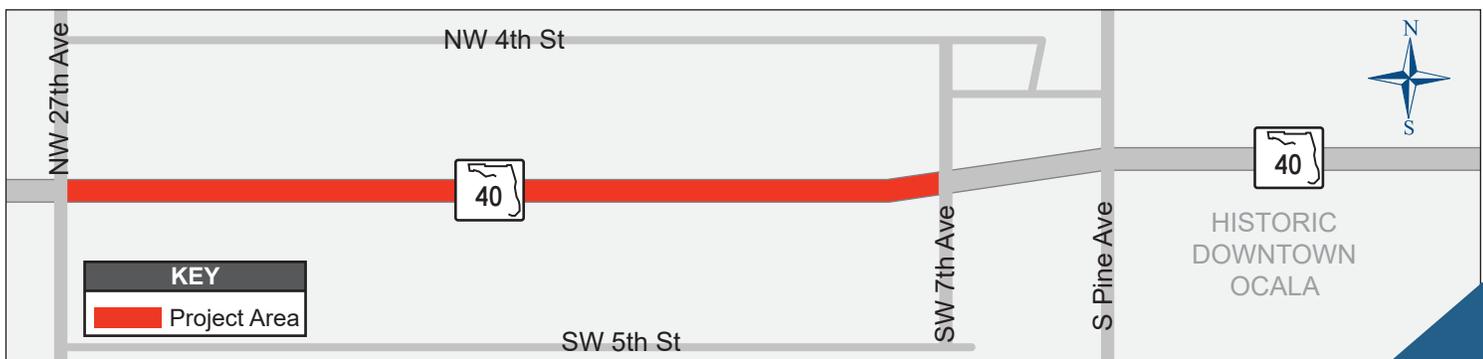

Fall 2023
