

ROADWAY RESURFACING

U.S. 1 (S.R. 5) from East Ridgewood Street to north of Palm Coast Parkway

Flagler County

**Financial Project
Identification
(FPID) No.:**
445216-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is repaving a segment of U.S. 1 (State Road (S.R.) 5) from East Ridgewood Street in Bunnell to north of Palm Coast Parkway in Palm Coast to extend the lifespan of the existing roadway. The existing median opening at East Plane Street will be converted to a directional median to enhance safety. Additional improvements include constructing a 6-foot-wide sidewalk to close sidewalk gaps where the right of way allows and upgrading pedestrian features at intersections within the project limits. A new traffic signal is also planned at the intersection of U.S. 1 and County Road (C.R.) 13.

WHAT TO EXPECT

Motorists should expect intermittent lane closures throughout the project corridor. The existing posted speed limits will remain in place throughout all construction phases. Certain driveways along the project corridor may experience limited access; therefore, the contractor will coordinate closely with affected property owners for any necessary work.

Drivers are encouraged to follow posted signage, avoid distractions, and travel cautiously while navigating the construction zone. The construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.
