

# S.R. 19 Improvements from S.R. 50 to West Oleander Avenue

## Lake County

Financial Project Identification (FPID) No.: 432332-1

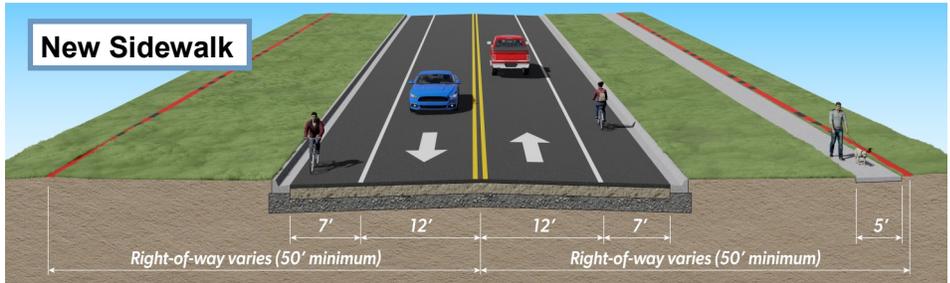

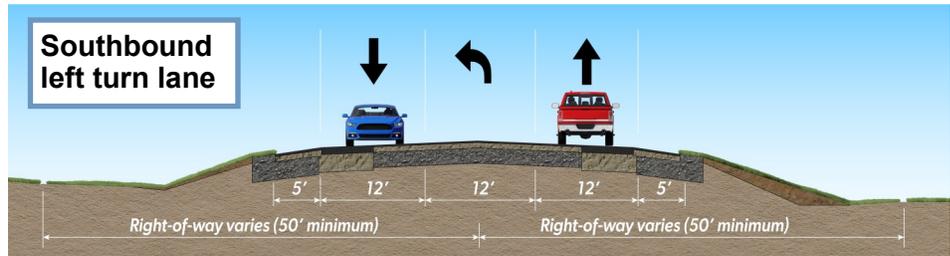

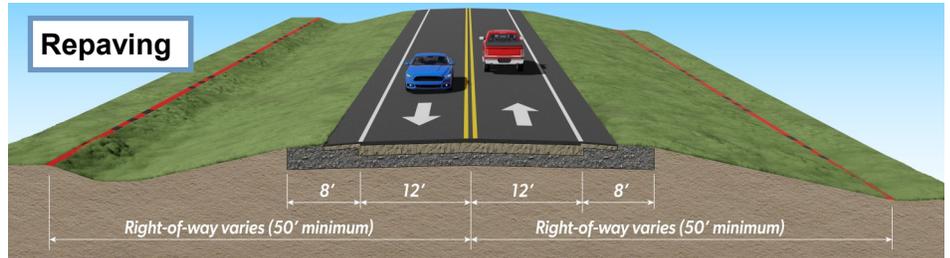

### Project Description

The Florida Department of Transportation (FDOT) is planning operations and safety improvements along State Road (S.R.) 19 from S.R. 50 to West Oleander Avenue. Sidewalk improvements are also planned from Florida Avenue to East Laurel Avenue.

The primary intent of this project is to rehabilitate the roadway by repaving this 12-mile segment of S.R. 19.

Additionally, S.R. 19 will be widened in the area of County Road (C.R.) 478 to provide a new southbound left turn lane.

The Department is coordinating with Lake County and a private developer who is making intersection improvements at Lake Emma Road.

Roadside improvements such as reducing side slopes and adjusting driveway connections are planned. Bridge safety improvements will be made at the U.S. 27 and Turnpike overpasses.

### Project Status and Estimated Costs\*

Design:	Ongoing - completion spring 2023	\$ 2 Million
Right of Way:	Within existing	—
Construction:	Funded - early 2024	\$ 15 Million

\* subject to change
