

SIGN REPLACEMENT

Dunlawton Blvd (S.R. A1A) east of South Peninsula Drive

Volusia County

**Financial Project
Identification
(FPID) No.:**
445895-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) will replace a sign structure on Dunlawton Blvd (S.R. A1A) east of South Peninsula Drive in Daytona Beach Shores in Volusia County. Work will also include rehabilitating structure components related to this sign.

WHAT TO EXPECT

The eastbound lanes along Dunlawton Boulevard east of South Peninsula Drive will be closed during nighttime hours. These closures will only be in effect for two select nights. Electronic message boards and detour signage will be used to alert and direct motorists through the construction site.

During the eastbound closure, motorists traveling east on Dunlawton Boulevard will be directed to turn right on South Peninsula Drive, turn left onto Demotte Avenue, and then turn left onto Cardinal Boulevard to get back to eastbound Dunlawton Boulevard. Motorists should avoid distractions, and drive cautiously through work zones.

The contractor will maintain pedestrian access to sidewalks during construction using signed detours, traffic control devices, and/or temporary walkways and ramps, when appropriate. The construction schedule may change due to weather or other unexpected conditions. For the most current project details and lane closure information, make sure to visit the project page on FDOT's Central Florida Roads website, www.cflroads.com.

CONTRACTOR

Traffic Control Devices, Inc.

PROJECT COST

\$98,000

PROJECT START

November 2021

ESTIMATED COMPLETION

Early 2022
