

# State Road 40 Widening

From east of County Road (C.R.) 314 A to S.E. 183rd Avenue Road (Levy Hammock Road)

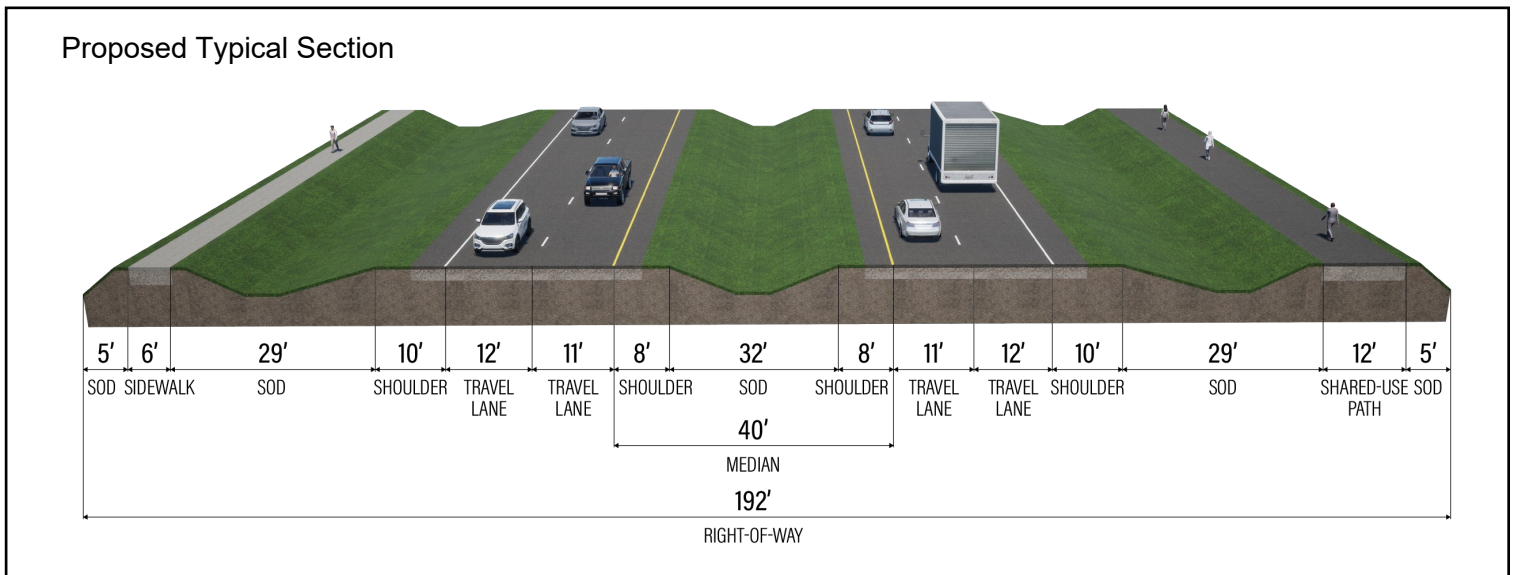

## Marion County

Financial Project Identification (FPID) No.: 410674-4

### Project Description

The Florida Department of Transportation (FDOT) proposes to enhance safety and improve operations on State Road (S.R.) 40 from east of C.R. 314 A to S.E. 183rd Avenue Road (Levy Hammock Road). The project plans to reconstruct the roadway to provide two 12-foot-wide travel lanes in each direction separated by a 40-foot-wide grassed median. Additionally, the project will provide dedicated left turn lanes with median openings throughout the corridor that meet the designated access management standards. Proposed improvements include repaving the roadway, enhancing inside and outside shoulders, constructing swales to collect stormwater runoff, adding stormwater ponds, and building a new sidewalk on the north side of the roadway and a new shared-use path on the south side of the roadway.
