

ROADWAY RESURFACING

S.R. 401 from S.R. 528 to the Cape Canaveral Space Force Station

Brevard County

**Financial Project
Identification
(FPID) No.:**
448787-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing two miles of State Road (S.R.) 401 from S.R. 528 to the Cape Canaveral Space Force Station. The entrance and exit ramps at S.R. 528 will also be repaved, extending the life of the roadway.

Additional improvements include upgrading pavement markings, improving the Intelligent Transportation System (ITS), upgrading guardrails, and improving the existing northbound and southbound movable bridge signals.

WHAT TO EXPECT

During construction, motorists should expect intermittent nighttime lane and ramp closures between 6 p.m. and 4 a.m.

Electronic message boards and other signage will direct traffic through the work zone. The level of work activity and noise will vary by construction phase. Drivers should anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in separate phases. Many of these temporary roadway conditions will gradually improve as the project progresses.

The construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

Masci General Contractors, Inc.

PROJECT COST

\$5.6 million

PROJECT START

June 2025

ESTIMATED COMPLETION

Late 2025
