

ROADWAY RESURFACING

S.R. 50 from west of S.R. 520 to east of St. Anne Avenue

Orange County

**Financial Project
Identification
(FPID) No.:**
445298-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing State Road (S.R.) 50 from west of the S.R. 520 interchange to east of St. Anne Avenue in eastern Orange County, extending the life of the roadway.

Additional improvements include placing new asphalt to smooth turns onto S.R. 50 at various driveways and side streets, performing drainage and bridge repairs, and upgrading signing/pavement markings.

WHAT TO EXPECT

During construction, motorists should expect intermittent daytime and nighttime lane closures Sunday through Friday. Motorists are advised to stay alert and drive cautiously through the work zone.

At the intersection of S.R. 50 and S.R. 520, motorists may encounter detours Monday through Thursday between 8:30 p.m. and 6:30 a.m. Motorists are advised to proceed with caution.

Electronic message boards and other signage will direct traffic through the work zone. The level of work activity and noise will vary by construction phase. Drivers should anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in separate phases. Many of these roadway conditions are temporary and will gradually improve as the project progresses.

Please note that the construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR
V.A. Paving, Inc.

PROJECT COST
\$7.9 million

PROJECT START
May 2025

ESTIMATED COMPLETION
Fall 2025
