DATE AND TIME: Wednesday, October 12, 2022, at 5:30 p.m.

PLACE: Kissimmee Civic Center, 201 E Dakin Avenue, Kissimmee, FL 34741

A community event will be held regarding project plans to improve operations at the intersection of **John Young Parkway (U.S. 17-92 / South Orange Blossom Trail) and Pleasant Hill Road / South Hoagland Boulevard (FPID no. 418403-7) in Osceola County, Florida.**

This is the first of two community events being held during this week in support of the John Young Parkway Coalition. The second event will be held in Poinciana on Thursday, October 13, 2022. Both events will present the same information.

The purpose of this project is to evaluate proposed transportation solutions for the mentioned intersection. The project aims to relieve congestion, improve access, extend bicycle and pedestrian facilities, enhance aesthetics, and add landscaping within the project area. These improvements will consider capacity, safety, and multi-modal enhancements while minimizing potential impacts to the natural and human environments.

Participants may attend in person by going to the Kissimmee Civic Center, 201 E Dakin Avenue, Kissimmee, FL 34741 anytime between 5:30 p.m. and 7:30 p.m. to learn about the project, speak with project team members, and provide feedback, comments, or ask questions. If attending in person, please follow all safety and sanitation guidelines.
