

# ROADWAY RESURFACING

South Patrick Drive (S.R. 513) from Eau Gallie Boulevard (S.R. 518) to Patrick Space Force Base

**Brevard County**

**Financial Project  
Identification  
(FPID) No.:**  
448792-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is implementing safety and operational improvements along South Patrick Drive (State Road (S.R.) 513) from Eau Gallie Boulevard (S.R. 518) to Patrick Space Force Base, within the cities of Indian Harbour Beach and Satellite Beach. These improvements aim to enhance mobility and extend the service life of the existing roadway.

The project includes milling and resurfacing the roadway, adding designated bicycle lanes, and reconstructing sidewalks and curbs. Pedestrian curb ramps will also be rebuilt to comply with current Americans with Disabilities Act (ADA) standards.

## WHAT TO EXPECT

During construction, motorists should expect intermittent single-lane closures during daytime and nighttime hours. The posted speed limit of 40 to 45 mph will remain in effect throughout the work zone.

Please be aware that construction activity and noise levels may vary throughout different phases of the project. Motorists should also anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in phases. Many of these roadway conditions are temporary and will gradually improve as the project progresses.

Electronic message boards and additional signage will help direct traffic through the work zone. Please note that the construction schedule may change due to inclement weather or other unexpected conditions. For the most current project details and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).

### CONTRACTOR

OHLA USA, Inc.

### PROJECT COST

\$10.2 million

### PROJECT START

March 2026

### ESTIMATED COMPLETION

Fall 2026
