

# Southbound U.S. 1 Improvements

From the FEC Railroad bridge to Grace Street

## Brevard County

Financial Project Identification (FPID) No.: 448800-1

### Project Description

The Florida Department of Transportation (FDOT) is proposing to repave the southbound lanes of U.S. 1 (North Washington Avenue / South Hopkins Avenue / Edison Avenue) from the FEC Railroad bridge to Grace Street in Titusville. The resurfacing will extend the life of the existing roadway.

This project also proposes traffic signal upgrades at Garden Street (State Road (S.R.) 406), Main Street, Julia Street, South Street (S.R. 405) and Grace Street.

Pedestrian safety enhancements will include improved crosswalks, pedestrian curb ramp reconstruction to meet current Americans with Disabilities Act (ADA) standards, and construction of sidewalk to connect to existing bus stops.

### Project Status and Estimated Costs\*

Design:	Design - Completion fall 2024	\$ 1 million
Right of Way:	Within existing	—
Construction:	Funded - late 2024	\$ 2.9 million

\*subject to change
