Nova Road Coalition, Volusia County

The Florida Department of Transportation (FDOT) invites you to a community event regarding transportation solutions for Nova Road (State Road (S.R.) 5A) between Flomich Street and U.S. 1 on Tuesday, July 11, 2023, at 5:30 p.m. This is a maintenance project that will rehabilitate the pavement while incorporating proposed safety improvements that can be implemented within the existing right of way. As a part of this effort, a coalition was formed to study the corridor, identify issues, and engage the local community in identifying solutions that improve safety for all users. With a focus on the key segment from south of Granada Boulevard (S.R. 40) to north of Wilmette Avenue, the coalition is evaluating a variety of factors including safety, speed management, and pedestrian and bicyclist mobility to identify improvements that can be incorporated into this maintenance project. FDOT is offering multiple ways to participate in the community event. All participants, regardless of which platform they choose, will receive the same information.

Virtual: Join from a computer, tablet, or mobile device to view and listen to the presentation over the internet. Advance registration at <https://attendee.gotowebinar.com/register/6067582781257735008> is required. Participants will receive an email with information about joining the community event online.
