

State Road (S.R.) A1A Improvements

From north of Roberta Road to the Flagler County line

Volusia County

Financial Project Identification (FPID) Number: 450946-1

Project Description

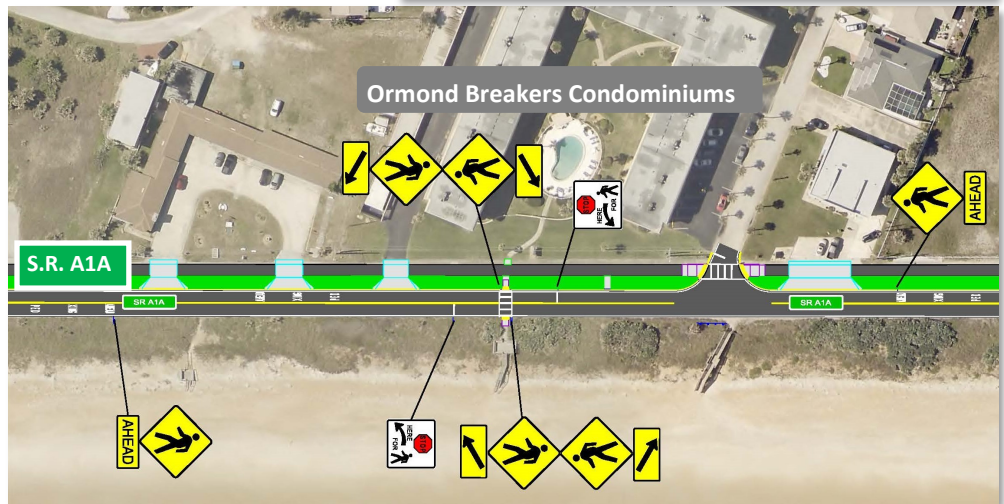

The Florida Department of Transportation (FDOT) is planning improvements on State Road (S.R.) A1A from north of Roberta Road to the Flagler County line. The project will resurface the corridor to extend the life of the existing roadway, add pedestrian crosswalks, and lower the posted speed limit where feasible to enhance safety.

Two new crosswalks equipped with Rectangular Rapid Flashing Beacons (RRFBs) are planned at Michael Crotty Bicentennial Park and Seabreeze Drive. The RRFBs flash when activated to alert drivers someone intends to cross S.R. A1A.

Twelve other crosswalks are planned at: Sunset Boulevard; Ormond Breakers Condominiums; Sunrise Avenue; San Jose Drive; Sunny Beach Drive; Imperial Heights Drive; Ocean Grove Drive; Marlin Drive; Sand Dollar Drive; Ocean Aire Terrace; between Seabridge Drive and Sea Oats Terrace; and Bass Drive.

The project plans to add median islands at Imperial Heights Drive and Sand Dollar Drive. The medians will not block side streets.

Other proposed safety improvements include a 10-foot-wide shared-use path on the southbound side of S.R. A1A. Lighting and drainage enhancements are also planned.
