

ROADWAY RESURFACING

S.R. 40 from 25th Avenue to NE 64th Avenue

Marion County

**Financial Project
Identification
(FPID) No.:**
450951-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing State Road (S.R.) 40 from 25th Avenue to NE 64th Avenue.

Pedestrian curb ramps are being upgraded, as needed, to meet current Americans with Disabilities Act (ADA) standards. Pavement markings and signage are also being updated to improve visibility and enhance overall roadway safety.

This project is being constructed concurrently with two adjacent projects along S.R. 40, from U.S. 441 to NE 25th Avenue (FPID No. 450952-1) and from NE 64th Avenue to the Lake County line at SE 196th Terrace Road (FPID No. 450948-1).

WHAT TO EXPECT

Motorists can expect intermittent nighttime single-lane closures between 8 p.m. and 6 a.m. Drivers should use caution when traveling through the work zone. Electronic message boards and posted signs will help guide traffic safely through the area. The level of work activity and noise may vary throughout the different phases of construction.

Motorists should also anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in phases. Many of these roadway conditions are short-term and will improve as the project progresses. Please note that the construction schedule may be subject to change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR

Anderson Columbia Co.

PROJECT COST

\$4.77 million

PROJECT START

July 2026

ESTIMATED COMPLETION

Summer 2027
