

# ROADWAY RESURFACING

U.S. 441 from Perkins Street to Mills Street

Lake County

Financial Project  
Identification  
(FPID) No.:  
450580-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing 1.39 miles of U.S. 441 (State Road (S.R.) 44/S.R. 500/East Main Street/North Boulevard) from Perkins Street to Mills Street in Leesburg.

FDOT plans to mill and repave the asphalt to maintain a safe, reliable roadway surface. Additionally, pedestrian curb ramps will be upgraded as needed to comply with current Americans with Disabilities Act (ADA) standards.

## WHAT TO EXPECT

Electronic message boards and other signage will direct traffic through the work zone. The levels of work activity and noise will vary during different construction phases. Motorists should anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in phases. Many of these road conditions are short-term and will gradually improve as the project progresses.

Lane closures will occur overnight from 7 p.m. to 7:30 a.m. along open stretches of roadway and from 8 p.m. to 6:30 a.m. within 600 feet of an intersection. When workers are present, motorists are strongly encouraged to exercise caution and reduce their speed to help ensure the safety of everyone on the roadway. The project schedule is subject to change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).

## CONTRACTOR

C.W. Roberts Contracting, Inc.

## PROJECT COST

\$1.8 million

## PROJECT START

February 2026

## ESTIMATED COMPLETION

Fall 2026
