

ROADWAY RESURFACING

U.S. 441 from Lakeshore Boulevard to Lake Eustis Drive

Lake County

Financial Project
Identification
(FPID) No.:
450581-1

PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing U.S. 441 (West Burleigh Boulevard/State Road (S.R.) 500/S.R. 19) from Lakeshore Boulevard to Lake Eustis Drive in Tavares. The purpose of this project is to rehabilitate the asphalt and maintain a safe, reliable roadway surface.

This project will also upgrade pedestrian curb ramps, as needed, to comply with current Americans with Disabilities Act (ADA) standards.

WHAT TO EXPECT

Lane closures will occur overnight from 7 p.m. to 7:30 a.m. along open stretches of roadway and from 8 p.m. to 6:30 a.m. within 600 feet of an intersection. Motorists should anticipate areas of uneven pavement, a common condition during construction as multiple asphalt layers are applied in phases. These roadway conditions are temporary and will improve gradually as the project progresses.

When workers are present, motorists are strongly encouraged to exercise caution and reduce their speed to help ensure the safety of everyone on the roadway. The project schedule is subject to change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at www.cflroads.com.

CONTRACTOR
Superior Asphalt

PROJECT COST
\$2.7 million

PROJECT START
March 2026

ESTIMATED COMPLETION
Fall 2026
