Project Location

Project Description

The Florida Department of Transportation (FDOT) is constructing a new **Diverging Diamond Interchange (DDI)** in the area of Interstate 75 (I-75) and NW 49th Street in Ocala. This interchange will improve interstate and regional mobility within Marion County, accommodate future traffic growth and provide relief to existing surrounding interchanges. The improvements follow the recommendations of the Project Development and Environment (PD&E) Study that was completed in March 2021.

Project Goals

- IMPROVE**
 efficiency
- ACCOMMODATE**
 pedestrians & bicyclists
- RESPOND**
 to future travel demand
- ENHANCE**
 overall safety

Through a funding agreement with Marion County, a Community Aesthetic Feature will be installed on the NW 49th Street bridge over I-75.
