

# ROADWAY RESURFACING

I-95 from Indian River County Line to Babcock Street

**Brevard County**

**Financial Project  
Identification  
(FPID) No.:**  
450595-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is resurfacing approximately 12.5 miles of Interstate 95 (I-95) from the Indian River County line to Babcock Street (State Road (S.R.) 507). The project will also mill and repave the interchange ramps at St. Johns Heritage Parkway, extending the roadway's service life and enhancing safety for the traveling public. Additional safety enhancements include guardrail upgrades at designated locations.

## WHAT TO EXPECT

During construction, motorists can expect intermittent single-lane closures during active work periods, as well as nighttime double-lane closures on I-95 between 7:30 p.m. and 7:30 a.m. Interchange ramp closures may occur between 8 p.m. and 6 a.m. Motorists are advised to proceed with caution when traversing the corridor.

Electronic message boards and other signage will direct traffic through the work zone. Levels of work activity and noise will vary during different construction phases. Motorists should anticipate areas of uneven pavement within the project limits, a common condition during construction when the contractor applies multiple asphalt layers in phases. Many of these roadway conditions are short-term and will gradually improve as the project progresses.

Please note that the construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).

### CONTRACTOR

Timothy Rose Contracting, Inc.

### PROJECT COST

\$26.6 million

### PROJECT START

July 2026

### ESTIMATED COMPLETION

Fall 2027
