Identification  
(FPID) No.:  
450632-1

## PROJECT DESCRIPTION

The Florida Department of Transportation (FDOT) is implementing several safety improvements along State Road (S.R.) A1A from Hidden Cove Drive to Sea Dunes Drive in Melbourne Beach. These include creating new striped crosswalks at Solway Drive and south of Oceanway Drive, as well as constructing a segment of new sidewalk along southbound S.R. A1A between Casseekee Trail and Hidden Cove Drive.

## WHAT TO EXPECT

During construction, motorists can expect intermittent lane closures during active work periods. The existing posted speed limit along the corridor will remain during construction. Motorists are advised to proceed with caution when traversing the corridor.

Electronic message boards and other signage will direct traffic through the work zone. Levels of work activity and noise will vary during different construction phases.

Please note that the construction schedule may change due to inclement weather or other unforeseen circumstances. For the most current project details and lane closure information, please visit FDOT's Central Florida website at [www.cflroads.com](http://www.cflroads.com).
